

Creator Participation Agreement

This document (Agreement) governs participation by Resident Creators (Creator) in Season of Legends (the Project), a grassroots esports and cultural circuit operated by the organisers.

By registering for Season of Legends, you acknowledge that you have read, understood, and agreed to be bound by this Agreement. Review it carefully before completing your registration.

1. REGISTRATION & ELIGIBILITY

1.1. Mandatory Registration Data: To qualify for participation, the Creator must provide: Full Legal Name, Date of Birth, Email, Phone Number, WhatsApp Number, and **Active Social Media Handles (TikTok, Facebook, X/Twitter, and Instagram, etc).**

1.2. Age Requirement: Participation in the Creator programme is strictly limited to individuals aged 18 years and older. No exceptions will be made. Upon successful registration, each Creator will be issued a unique Registration Code confirming their enrollment. Identity and age verification is carried out by physical sighting of a valid government-issued ID by an authorised event official. No ID document will be collected, copied, or stored at any point. Verification occurs at one of two stages: (a) at any certified hub, upon the Creators first visit, by presenting their original government-issued ID to event staff; or (b) immediately prior to prize payout, for Creators who have not previously been verified at a hub, by presenting their government-issued ID to an authorised representative of the organisers. Eligibility to receive any prize payment is conditional on successful completion of identity and age verification. Creators who cannot or do not present a valid government-issued ID will not be eligible to receive prize payments, regardless of their performance in the Creator programme.

1.3. Operational Integration: Registration confirms the Creator's enrolment to participate in season of legends and compete for the Creator Prize Reserve. Exact daily workflows, upload schedules, and content deliverables will be governed by the **Creator Operational Handbook**, to be issued to each registered Creator via registered email or official season of legends channels prior to the start of Phase One. The Handbook supplements but does not override or conflict with this Agreement; in the event of any inconsistency between the Handbook and this Agreement, this Agreement shall prevail. Until the Handbook is issued, Creators agree to follow reasonable operational instructions communicated by the organisers via registered email, SMS, WhatsApp, or official season of legends channels.

1.4. Administrative Fee: A non-refundable Administrative Fee applies to all Creator registrations. This fee is not a registration or entry fee. It covers Creator category operational costs, content infrastructure, judging administration, and circuit logistics required to run the Creator programme. Payment must be completed online at the point of registration and must be confirmed before the Creator's enrollment in the Project is finalised. The exact fee amount will be clearly displayed on the payment page prior to checkout. Payment of this fee is a condition precedent to eligibility for the Creator Prize Reserve and does not guarantee selection for any award category. The Creator registration window will close on the date published on the official Season of Legends website and social channels, or once the maximum Creator capacity for the season is reached, whichever occurs first. The organisers reserve the right to close registration early without prior notice once capacity is met.

1.5. Eligibility for Prize Categories Eligibility to compete for and be awarded any cash prize under the Creator Prize Reserve is open to all registered Creators who are 18 years of age or older at the time of registration, subject to successful hub ID verification under Clause 1.2.

2. INTELLECTUAL PROPERTY & ROYALTY-FREE LICENSE

2.1. Ownership: The Creator retains underlying copyright to their original footage.

2.2. License Grant & Monitoring Rights: By registering, the Creator grants the organisers a **non-exclusive, perpetual, worldwide, royalty-free license** to access, monitor, edit, reproduce, distribute, broadcast, and repurpose all content created during the Project for promotional, operational, archival, and sponsor-integration purposes. This license is irrevocable and survives the expiry or termination of this Agreement, including termination arising from a Creator's withdrawal, disqualification, or breach of this Agreement. Disqualification or withdrawal does not obligate the organisers to remove, unpublish, or cease use of content already published or already in production as of the date of disqualification or withdrawal.

2.3. No Royalties or Compensation: The organisers shall **not** be required to pay royalties, residuals, or additional compensation to the Creator for monitoring, adapting, or using the content. Consideration for this license includes circuit access, prize eligibility, and portfolio development.

2.4. Third-Party Restriction: The Creator shall not exclusively license or sell season of legends related content to competing brands during the season.

2.5. Likeness & Name Use: In addition to the content license granted under Clause 2.2, the Creator grants the organisers the right to use their name, image, likeness, voice, and on-camera appearance in promotional, archival, and sponsor-integration materials related to the Project, on the same royalty-free basis described in Clauses 2.2 and 2.3.

3. INDEPENDENT CONTRACTOR STATUS

The Creator is an independent contractor, not an employee. The organisers provide brand guidelines and compliance standards but does not control the exact manner of the Creator's filming or editing. No employment benefits, minimum wage, or statutory insurance are implied.

4. THE CREATOR'S CODE & COMPLIANCE

4.1. Ethical Covenant: The Creator agrees to the core principles: Do not manufacture drama; do not perform excitement; act as a cultural ambassador; prioritize legacy over algorithmic metrics.

4.2. Prohibited Content: The Creator shall not produce content containing hate speech, explicit material, staged drama, unauthorized competitor branding, or any reference to gambling/wagering.

4.3. Venue & Age Restrictions: All Creators must comply with on-site staff instructions regarding zone access at all times. Creators must not film or encourage consumption of alcohol by any person who appears to be under 18 years of age.

4.4. Sponsor Compliance: Content featuring sponsor products must include mandated disclaimers (e.g., "18+", "Enjoy Responsibly") as outlined in the Operational Handbook. Where sponsor products are food, beverage, or consumable items regulated by the National Agency for Food and Drug Administration and Control (NAFDAC), Creators must not make any health, nutritional, or safety claims about the product beyond what is stated on the product's official

NAFDAC-approved packaging or marketing materials provided by the organisers. The organisers will make reasonable efforts to provide such approved materials to Creators in advance of any sponsor activation requiring product-specific content. Where no approved marketing materials have been provided, Creators must rely solely on the product's official packaging and must not make any independent health, nutritional, or safety claims. Creators must not depict consumption of sponsor products by anyone reasonably appearing to be under 18 years of age.

4.5. Enforcement: Breach of Clauses 4.1 to 4.4 may result, at the sole discretion of the organisers, in a formal warning, suspension from the Project and circuit activities, permanent disqualification from the Project, and forfeiture of any prize eligibility or unpaid prize winnings. Serious breaches (including but not limited to hate speech, explicit material, unauthorized zone access, or content that depicts underage consumption of alcohol) will result in immediate disqualification without a prior warning.

4.6. Zone Access: All registered Creators are aged 18+ and have full access to both the General Access Zone and the 18+ Restricted Zone, subject to presenting a valid government-issued ID at the hub. Creators must comply with all on-site staff instructions regarding zone access at all times.

5. COMPENSATION & PRIZE ELIGIBILITY

5.1. Prize Pool: Eligible Creators will compete for a share of the Creator Prize Reserve across multiple award categories. Most categories are determined by an internal Judging Panel appointed by the organisers, based on consistency, craft, cultural contribution, and reach across the season. At least one category is determined exclusively by public/fan vote through official Season of Legends channels, with no Judging Panel input. Full category names, criteria, scoring rubrics, prize amounts, and voting mechanics are detailed in the **Creator Operational Handbook**.

5.2. Judging Decisions & Appeals: All Judging Panel decisions are final and binding. A Creator may submit a formal written appeal regarding a category result to info@seasonoflegends.com with the subject line "CREATOR APPEAL" within 48 hours of the public announcement of results, with supporting evidence. Appeals submitted after this window will not be considered. The Judging Panel will review and respond within 5 working days. The People's Creator fan-vote result is not subject to appeal under any circumstances.

5.3. Payout Conditions: Prize winners must provide a valid, BVN-linked bank account matching their registered legal name within 14 days of notification. Where a winning Creator has already completed identity and age verification by sighting at a certified hub, payment will be processed upon receipt of valid bank details. Where a winning Creator has not previously been verified at a hub, identity and age verification by sighting of a valid government-issued ID must be completed before payment is processed. No ID will be collected, copied, or stored. No prize will be disbursed until verification is complete. Applicable 10% Withholding Tax will be deducted.

5.4. Forfeiture: If a winner fails to provide verified banking details within 14 days, or cannot be reached via their registered contact details, the prize shall be **forfeited and reverted to the organisers** to be reallocated at the Organizer's discretion.

5.5. Administrative Fee Refund Policy: The Administrative Fee is strictly non-refundable under the following circumstances: Creator withdrawal at any stage, disqualification for breach of this Agreement or the Creator's Code, or failure to complete onboarding requirements. In the event of a Project-wide disruption affecting Creator activities at a specific hub or location,

the organisers will make reasonable efforts to reschedule or reassign affected Creators. No refund will be issued in such cases, as administrative costs have already been committed. A full refund or credit toward a future Season of Legends circuit will only be issued in the sole event that the organisers cancel the entire Creator programme with no rescheduled date. This is the only circumstance under which a refund may be issued, and it shall be processed within 30 days of the cancellation announcement.

6. DATA PRIVACY

6.1. Data Collection: The organisers collect minimal data (Full Legal Name, Date of Birth, Contact Details, and Social Media Handles, as set out in Clause 1.1) strictly for onboarding, communication, content tracking, and payout processing.

6.2. Retention: Data is retained for 24 months post-event, then securely deleted. Creators may request data access or deletion by emailing info@seasonoflegends.com with the subject line DATA REQUEST.

7. LIMITATION OF LIABILITY & INDEMNITY

7.1. Liability Cap: To the maximum extent permitted by law, the organisers are not liable for indirect damages, loss of data, or loss of revenue arising from participation. Where the organisers are found liable for any direct loss or damage arising from this Agreement, the organisers' total aggregate liability to the Creator shall not exceed the total Administrative Fee paid by that Creator.

7.2. Indemnification: The Creator agrees to indemnify the organisers against any claims arising from:

- (a) Breach of this Agreement;
- (b) Content that infringes on third-party IP or violates the regulations of the Advertising Regulatory Council of Nigeria or the Nigeria Data Protection Act (NDPA);
- (c) The Creator's negligence or misconduct at venues.

8. DISPUTE RESOLUTION & JURISDICTION

8.1. Governance: This Agreement is governed by the laws of **Enugu State, Nigeria**.

8.2. Jurisdiction: Any legal disputes shall be submitted to the exclusive jurisdiction of the competent courts in Enugu State.

9. GENERAL LEGAL PROVISIONS

9.1. Severability: If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the remaining provisions shall continue in full force and effect.

9.2. Entire Agreement: This Agreement, together with the Creator Operational Handbook, constitutes the entire understanding between the Creator and the organisers, superseding all prior verbal or written agreements, proposals, or representations.

9.3. Force Majeure: The organisers shall not be held liable for any failure or delay in performing its obligations (including but not limited to prize distribution or event execution) if such failure is caused by events beyond its reasonable control, including government directives, natural disasters, civil unrest, grid power collapse, or critical infrastructure failure.

9.4. Evolution & Amendment of Terms (The "Living Agreement" Clause): The Creator acknowledges that Season of Legends is a dynamic, evolving cultural movement. The organisers reserve the right to amend, update, or modify these Terms, the Creator Operational Handbook, and any associated workflows from time to time to reflect operational realities, venue changes, or regulatory requirements.

- **Material Legal Updates:** Any material changes to the core legal rights of the Creator (including Intellectual Property scope, liability limitations, or prize forfeiture rules) will require the Creator's explicit digital re-consent, to be obtained via registered email or other official registration channel.
- **Acceptance of Changes:** Continued participation in the Project, or submission of content following the communication of any operational amendments constitutes the Creator's binding acceptance of such changes.
